

Leave Manager

Support your people with accurate, accessible leave options **while minimizing compliance risk.**

With UKG Ready® Leave Manager, your organization can automate the administration and tracking of paid and unpaid federal, state, and employer-specific leave policies. Because our leave solution works seamlessly with UKG Ready Time, it enables you to reduce the administrative burden, labor costs, and risk of noncompliance when managing leave of absence requests and eligibility.

Automate processes

Automated leave administration and tracking is configurable to match the needs of your organization to maintain balances, reduce errors caused by manual processes, and control absence costs. Ensure accurate data and comprehensive visibility when tracking and managing employee leave in real-time.

Increase consistency

Ensure equal, fast, and fair policy enforcement to reduce compliance risks. Leverage flexible, powerful tools that adapt to your unique rules and workflows so that you can be confident that policies are enforced consistently, accurately, and securely across the entire organization.

Create engaging experiences

Reduce paperwork and error-prone manual processes through seamless integration with timesheets, schedules, and government forms, and provide employees with modern self-service tools to request leave, check eligibility, and track their balances — available anytime, anywhere on our mobile app.
